

Lagune #090 - Wet Area Matting

Features and Benefits

- Modular tiles can be assembled in a variety of designs and shapes.
- Modular mat allows you to economically create a surface of any length, width or shape.
- Ideal for covering large or irregular areas.
- Built in connecting system that allows the mat to be easily interlocked.
- Easy and inexpensive to clean and can be rolled up for maintenance.
- Lagune is treated with an anti-microbial additive for protection against the growth of mould, mildew, fungi and odour-causing germs.
- The curved design promotes immediate drainage and comfort.
